Electronic Images

If you wish to be supplied with electronic Image, we have an agreement in which we will supply them free from Copyright Charges.

We ask for you to contribute towards our costs of covering an event:

£75 per rally (per car) or
£50 per event for a seasons coverage

This must be arranged in advance of events in order for us to provide the service. You can then use these images for your own personal or commercial reproduction AT NO EXTRA CHARGE

Purchase of original images after an event will be charged as follows:

1 image: £50 CD per event: £100

(All prices subject to vat and carriage where applicable.)

Framed Photographs

We do a selection of frames to suit most requirements. Prices quoted are based on FRAME size (which is normally 2-4 inches bigger than the photo), and the fully finished product which includes picture, mount, caption is finished with glass or perspex.

Flat Black - a 1 inch wide smooth edged black frame suitable for the more modern environment. Pictures are mounted to an Ivory mount and captioned according to your requirements.

Pine - a refreshing pine finished frame for all environments - traditional or modern. Frame is 2 inches in width with an ivory mount surrounding the picture and captioned to your requirements.

Prices for both Flat Black and Pine frames are the same - see below:

Picture Montage

Have your favourite pictures merged into one to celebrate an event, occasion or combination of things. E-mail your pictures over or choose from our range.

Artwork £7.00 Per image

Then refer to the product price for your finished item. (i.e Canvas, Print or Frame etc)

Canvas Prints

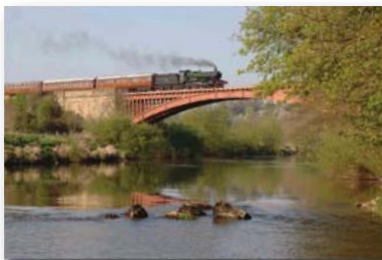

One of our expanding range of products. Canvas prints are a more contemporary finish to hang almost anywhere. A high quality finished product which puts your artwork on to a new level. Images are usually wrapped around our 39mm wooden frame and tidily fixed out of sight, so bear in mind the facing image will be larger than usual. If this is a problem, we can simply add a matching colour to 'wrap around'! A really special gift.

E-mail your images or choose from our archive.

Reproduction

All of our images are protected by UK Copyright laws. This means that we own the legal rights to them and are in ultimate control of where they are displayed or reproduced. If you have already commissioned us to take photographs of a subject matter, you will have copyright free status on the images taken under any such agreement - but we ultimately still own the images. If you have not commissioned the work relating to photographs you wish to reproduce, the following charges apply before any reproduction can take place:

Websites - personal and commercial - we charge £25.00+ vat per image to go on a website.

Editorial - for any form of editorial reproduction of an image we will charge £25.00+vat per reproduction. You will need to give us the full details of the publication in which the image is to go.

Advertising - for commercial advertising of an image our rates start at £40.00+vat per image. A further charge of £1.00 + vat per square inch will be charged depending on the finished size of the image in the advertisement. Should you wish to use the image in consecutive or multiple ads, the charge will reduce by 10% for each additional advert until such time that the fee reaches £300.00+vat. At this point we cap the charges and you may use the image for unlimited reproduction for this fee.

Purchasing Images - If you wish to purchase an electronic image for promotional or personal use, please see our electronic images section.

Terms & Conditions

Non-Commissioned Photography

The contact photographs you have been sent with this form are as a result of our Photographers working on a Non-Commissioned basis over the course of 2-4 days. There are no charges for these contact photographs and you are under no obligation to purchase them whatsoever. However, if you feel offended in any way by this marketing, we will gladly remove your details from our database upon receipt of written confirmation to do so.

The cost of the products listed in this brochure incorporate the photographers' time, expenses and administrative costs involved in producing the material. Copyright of all the images is owned by the photographer(s) (i.e Writtle Photographic) who have the right to charge a fee for any reproduction of an image. Prior arrangement must be sought before any reproduction is made.

Commissioned Photography

We also undertake many other forms of photography from commercial, public relations, weddings, construction etc. Our basic rates are £70.00 per hour, £200 per half day or £350 for a full day plus expenses. We also have our own in-house photographic laboratory and are able to offer full colour printing services and picture manipulation from most photography sources.
